WV Regional Classified Connection

Right On Target.

Place your classified ad in daily
newspapers in a region
5 days a week!

Our Classified Connection program utilizes the power of West Virginia's daily newspapers and allows you to hit the state's largest markets with repetition. Your 7 line (approximately 27 words) classified ad will run for five consecutive days (no Sundays) in a region of daily newspapers, providing you with a unique opportunity to market your product or recruit employees around the state.
